The need for exclusive website of ESO which is nodal department for all statistical activities need not to be overemphasized. The work of website was started under the guidance of Sh. M.L.Sharma, Economic Adviser, Punjab under the 13th Finance Commission funds. ESO is being provided full connectivity among headquarter and districts under 13th Finance commission grant which will facilitate quick transmission of online data. With the hosting of ESO website www.esopb.gov.in, it will be able to quickly disseminate data to stakeholders who in turn will use data for developmental policies, socio-economic research and provide feedback for further improvements in data.

I congratulate Sh. Mohan Lal Sharma, Economic Adviser, Punjab who finalised the contents and provided leadership in bringing out this website. I also appreciate the efforts of Sh. Harvinder Singh, Joint Director and Sh. Gurmeet Singh, Research Officer for co-ordinating with various branches of ESO. Thanks are also due to National Informatics Centre, Punjab for facilitating the process of establishment of this site.
