MESSAGE

I am glad that Ministry of Statistics and Programme Implementation (MOSPI) has brought out the latest edition of the Guidelines on the Members of Parliament Local Area Development Scheme (MPLADS). Several clarificatory instructions and circulars have been issued based on the suggestions received from various stakeholders including both the Committees of Parliament on MPLADS after publication of the last Guidelines in August 2012. All these instructions and circulars have been incorporated in the Guidelines now being issued.

The Members of Parliament Local Area Development Scheme is a pioneering scheme, which directly fulfills the requirements of the public at large in the field of infrastructure development, drinking water, education, roads, health, sanitation, etc. and is governed by the Guidelines on MPLADS. The scheme has been doing extremely well in creating durable community assets.

The revised Guidelines are simple, clear and understandable to all concerned. To provide Hon'ble MPs a greater choice under the scheme, the list of indicative and illustrative shelf of projects has been expanded. The present set of Guidelines is very exhaustive and it provides not only the list of prohibited items under the scheme, but also that of permissible items.

In order to encourage trusts and societies to work for the betterment of tribal people, the ceiling of Rs. 50 lakh, stipulated for building assets by trusts and societies in areas occupied by tribals, has been enhanced to Rs. 75 lakh. Further, to promote cooperative movement and rural development, the Cooperative Societies have also been made eligible under the MPLAD Scheme.

I am pleased to release the revised "Guidelines on MPLADS", which I hope shall be useful for Hon'ble MPs to take up development activities in a better and effective way.

PREFACE

The essential objective of the Members of Parliament Local Area Development Scheme (MPLADS) is to enable Members of Parliament to recommend development works with emphasis on creation of durable community assets based on locally felt needs to be taken up in their constituencies.

From inception of the scheme in December 1993, durable assets in the arenas of roads, electricity, drinking water, health and education, etc. are being created.

Implementation of the MPLADS is governed by a set of Guidelines, which were first issued in February 1994. Based on the feedback received from the various stakeholders, including State Governments, District Authorities, the two Committees of Parliament on MPLADS and Members of Parliament, the Guidelines have been revised from time to time for improved implementation of the scheme in the field.

The recommendation of the works to be undertaken under the MPLADS is made by the Members of Parliament. The sanction of the eligible works and implementation of the sanctioned works are undertaken by the District Authorities in accordance with the respective State Government financial, technical and administrative rules.

This updated compilation of the Guidelines on MPLADS, as on 15th May 2014, will prove to be handy and useful to the State Governments, District Authorities and Members of Parliament.

GUIDELINES ON MEMBERS OF PARLIAMENT LOCAL AREA DEVELOPMENT SCHEME

1. BACKGROUND

- 1.1 The general public approach Members of Parliament (MPs) for provision of certain basic facilities to meet the felt needs of the people.
- 1.2 On 23rd December 1993 Prime Minister had announced the Members of Parliament Local Area Development Scheme (MPLADS) in the Parliament. Initially the MPLADS was under the control of the Ministry of Rural Development. The 1st Guidelines were issued in February 1994, covering the concept, implementation and monitoring of the Scheme. The MPLAD Scheme was transferred to the Ministry of Statistics and Programme Implementation in October 1994. The Guidelines were subsequently revised in December 1994, February 1997, September 1999, April 2002, November 2005 and lastly in August 2012. The present comprehensive revision of guidelines is based on the experience gained over 20 years, and having considered the suggestions made by the various stakeholders including Members of Parliament, both the Committees of the Lok Sabha/Rajya Sabha, NABARD consultancy services (NABCONS) and Comptroller and Auditor General of India in its Reports.
- 1.3 The objective of the scheme is to enable MPs to recommend works of developmental nature with emphasis on the creation of durable community assets based on the locally felt needs to be taken up in their Constituencies. Right from inception of the Scheme, durable assets of national priorities viz. drinking water, primary education, public health, sanitation and roads, etc. are being created.
- 1.4 In 1993-94, when the Scheme was launched, an amount of Rs. 5 lakh per Member of Parliament was allotted which became Rupees one crore per annum per MP constituency from 1994-95. This was stepped up to Rs. 2 crore from 1998-99 and now it has been increased to Rs.5 crore from the financial year 2011-12.
- 1.5 The Ministry of Statistics and Programme Implementation has been responsible for the policy formulation, release of funds and prescribing monitoring mechanism for implementation of the Scheme. A Department each in State/UTs is designated as the Nodal Department with the overall responsibility of supervision, monitoring and coordination of the MPLADS implementation with the districts and other Line Departments. The Government of India informs the State Nodal Department about the MPLADS funds released to the District Authorities. The District Authorities report the status of MPLADS implementation to the Government of India and State Nodal Department.

2. FEATURES

- 2.1 The MPLADS is a Plan Scheme fully funded by Government of India. The annual MPLADS fund entitlement per MP constituency is Rs. 5 crore.
- 2.2 Lok Sabha Members can recommend works within their Constituencies and Elected Members of Rajya Sabha can recommend works within the State of Election except as provided in paras 2.8 and 2.9. Nominated Members of both the Rajya Sabha and Lok Sabha can recommend works, anywhere in the country.
- 2.3 A Member of Parliament shall give his choice of Nodal District in Annexure I of the guidelines to the Ministry of Statistics and Programme Implementation with copy to the State Government and to the District Magistrate of the chosen District. If a Lok Sabha Constituency is spread over more than one District, the Member of Parliament can choose any one of the Districts as Nodal Districts in his/her constituency. The Rajya Sabha MP can choose any District in his/her State of Election as Nodal District. Nominated Members of both Rajya Sabha and Lok Sabha can choose, any District in the country as Nodal District.
- 2.4 All works to meet locally felt infrastructure and development needs, with an emphasis on creation of durable assets in the constituency are permissible under MPLADS except those prohibited in Annexure-II. Expenditure on specified items of non durable nature are also permitted as per list in the Annexure-IIA.
- 2.5 **Development of Areas inhabited by Scheduled Caste and Scheduled Tribe:** There is a greater need to develop areas inhabited by Scheduled Castes and Scheduled Tribes in order to give special attention for the infrastructure development of such areas. M.Ps are to recommend every year, works costing at least 15 per cent of the MPLADS entitlement for the year for areas inhabited by Scheduled Caste population and 7.5 per cent for areas inhabited by S.T. population. In other words, out of an amount of Rs.5 crores, a M.P. shall recommend for areas inhabited by S.C. population, Rs.75 lacs and Rs.37.5 lacs for areas inhabited by S.T. population. In case a State does not have S.T. inhabited areas, this amount may be utilized in S.C. inhabited areas and vice-versa. It shall be the responsibility of the district authority to enforce the provision of the guideline. In order to facilitate implementation of this guideline, it will be responsibility of the district authority keeping in view the extant provisions of State and Central Government's to declare areas eligible for utilization for funds meant for the benefit of SC & ST population.
